Docket
Chief Office
Docket
2181
29/9/99
31/10/99
Clerk

SIR,

With reference to your docket no: 2181 dated 29th Sep: 99 requesting to be furnished with a monthly statement shewing the no: of passengers on whom observation notices were issued in all the plague out posts around Bangalore, I have the honor to forward herewith 2 statements one shewing the number of notices issued to persons going to the city and the civil and military station at each out post up to the end of September: 99 and the other shewing an abstract of what is contained in the above statement in the form indicated in your docket.

A reference to the statement will shew

shew that out of a total number of 18526 persons on whom observations were served in the several outposts around Bangalore 5715 were persons that went to the civil and military station. In the absence of any previous arrangement regarding the proportionate distribution of cost between the mysore Durbar and the civil and military station the only proportion in which the cost may now be reasonably claimed seems to be that which the number of persons who went to the civil and military station bears to the total number on whom the notices were served calculating accordingly, the amount debitable to the civil and military station will be Rs 2253-5-0 on top the total cost viz: Rs 7304-1-0

× × × ×

With reference to the last para in the docket under reference a separate statement is herewith attached for information. An appreciable reduction in the establishment maintained for escorting passengers by Railway was effected already from the 1st instt and it does not appear feasible to make further reductions under the existing rules.

I have the honor to be

Sir

Your most obedient Servant

M Krishnan

Dy Commissioner

Bangalore

PLAGUE COMMISSIONER
No 5403
DEC 2 1899
IN MYSORE

SIR,

With reference to your No 4046 Regd 35?
dated 22nd November 1899, enquiring —
whether the special Plague Police out
— posts may be done away with, I
have the honor to point out that the
outposts were primarily established
with a view to prevent infected persons
from the city and civil and military
station going into the interior of the
district. Notwithstanding the pre
cautionary measures adopted the
villages —

Villages all round the City and civil and military station ——— became infected one after another. It was then arranged that persons coming into the City and civil and Military Station should be inspected at the outposts and served with observation notices before being escorted to the Ward Officer in the City and the civil and military station. Since the recurrence of Plague both in the City & in the civil and military station, passengers leaving Bangalore and civil and military station are also being similarly treated.

The Chief Plague officer in his letter No. 150 dated 24th November 1899 has already informed you that the outposts

outports are no longer required. Although the practice of issuing passes to out-going persons has since been discontinued in the civil & military station, yet persons going to the civil and military station are being escorted as usual by the out-port Police.

The outports may be abolished if the Plague authorities of the civil and military station agree with the Chief Plague officer of the City

I have the honor to be
Sir
your most obedient Servant

H Whittingham
Deputy Commissioner.
